Cover picture: A beautiful setting and sustained hard team work: that's a feature of good conferences and meetings. Mentors, leaders and participants at the Young Leaders' course held in Santiago, Chile, in November last year. Top left at the 'summit of Aconcagua' are mentors Fernando Vio, Association founder members Ricardo Uauy and Juan Rivera, and Noel Solomons. Seated front are course leaders Maria Teresa Oyarzún, Lorena Rodríguez, and Eva Hertrampf. Standing behind them is our most senior working public health nutritionist, Association founder member Nevin Scrimshaw.
